Great Odd Fellow Program Under Roadway.

C. L. Gorman, Chairman of the Committee of Arrangements for the exercises marking the week of the meeting of the District Grand Lodge of Odd Fellows, announces an admirable program for Tuesday, July 27th, the opening day. Mayor Evans in behalf of the City is to extend a welcome address and the other state and local organizations are represented by the following persons: Hon. Emmett B. Stewart, Rev. C. R. Tucker, Rev. N. A. Robinson, Dr. Chas. B. Wickham, Rev. J. E. Tombs, S. D. Hooker, P. B. J. Hudson, P. A. Chappell, Dr. H. J. Watson and Dr. J. M. White. The final address will be delivered by D. G. M., E. D. Jefferson. These exercises will occur at the First Baptist Church, Tulsa.

Bishop Tyree's Sermon Popular.

The sermon of Bishop Tyree last Sunday at Vernon Chapel, A. M. E. church was pronounced by the large audience present to be the most pertinent and popular ever preached from that rostrum. It was the Bishop's first appearance here since his appointment at the recent conference to preside over Louisiana and Oklahoma conferences.

Union Revival Proposed.

The Revs. H. T. S. Johnson and J. R. McLain, two of Tulsa's best known pastors, are planning to hold an open air revival meeting, the program of which will be announced later.

Got His Crop In Out of the Rain.

The daily rain of last week had no terrors for Prof. J. R. Johnson of Taft, who passed through Tulsa going to Oklahoma City and back. He expressed great sympathy for his numerous agricultural friends of the Taft neighborhood, who had not exercised the same wisdom he had. His wheat has all been threshed and put away and this he had had the foresight to look after before leaving to attend the meeting of the State Board of Education. Prof. Johnson made his annual report which was unanimously approved, and his work during the year was commended in high terms. The professor reports that during the present summer he will finish the erection and installation of an ice plant at the State institution at Taft. This addition to the equipment of the Blind School will not only be beneficial to the school but to the Taft vicinity as well. Prof. Johnson was in Tulsa Friday en route to Muskogee and home.

Kelly Miller Here in August.

The local Hunton Branch of the Y. M. C. A. has arranged for Prof. Kelly Miller, the distinguished orator and educator of Howard University, Washington, D. C., to deliver a lecture on August 25th, at Convention Hall. His subject will be "The Aftermath of the Great World War." The enterprise of the officers of Hunton Branch in securing such a lecturer merits the unanimous support of all classes of our citizens.
